

Caleb Wiseman Taylor Moore

Los Angeles, CA 90026

Hello

Thanks for taking the time to read this cover letter and review my resume!

You'll find that I have a bevy of professional experience, and I think I would be a great fit at Jacoby & Meyers. I am passionate about helping people, and that seems to align directly with your mission statement.

Furthermore, I am a very quick learner with a voracious appetite for knowledge. When given the chance to own and develop new skills, I shine brightly. I believe that working with Jacoby & Meyers would be an amazing opportunity for me to grow and develop my skills.

Please reach out with any questions or to schedule an interview. I am looking forward to the opportunity to work with you.

Best,
